

Burdens Warehouse

Riverside Industrial Estate, West Thurrock

Client	RREEF UK Industrial Property Fund
Consultant	Robert Langley Consultants
Address	40 Logan Crescent Market Harborough Leicestershire LE16 9QT
Contract Value	£690k
Contract Duration	16 Weeks
Completion	February 2013
Works Description	<p>We were employed by RREEF c/o Robert Langley Consultants to provide an extension (25m x 15m) to a warehouse occupied by Burdens Building Merchants. The extension consists of a profiled sheet clad steel portal frame, power floated concrete floor with an external cavity apron wall housing aluminium windows/doors and industrial roller shutters.</p> <p>In addition to the above, we extended offices internally including extending a mezzanine floor whilst the building and surrounding area was both occupied by employees and visiting general public.</p> <p>Service alterations and adaptations together with noisy works were carried out out of hours to minimise disruption to the end users.</p>
